### What you'll get

A programme that brings together the principles of LEAN management and high performing teams to introduce participants to the systems, standards and behaviours required to become truly high performing.

We'll guide you through the LEAN concepts of waste, process mapping and 6S so that you can implement these tools in your business, and you'll also learn the underlying principles and behaviours that exist in high performing teams and how you can bring these into your business.

Changed mindsets and business culture that will truly maximise your productivity.

### How we can help you...

Productivity Plus is where the principles of High Performing Teams meet the principles of LEAN. Learn how to:

- Reduce waste
- Get consistent results
- Improve communication
- Get jobs right first time
- Get better every day
- Engage your whole team in performance

This is not a 'corporate' programme, it's a programme that will engage your whole team and has sound, practical tools that are guaranteed to work in your business and make your team truly high performing.
